Here's how to earn rewards

Step 1:

Sign in to your [regence.com](https://www.regence.com) account.

Step 2:

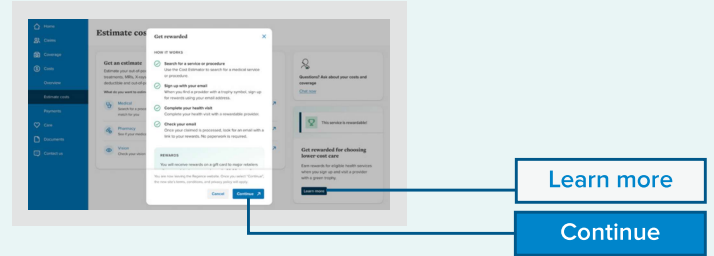

From the menu on the left, click **Costs**, then **Estimate costs**.

Step 3:

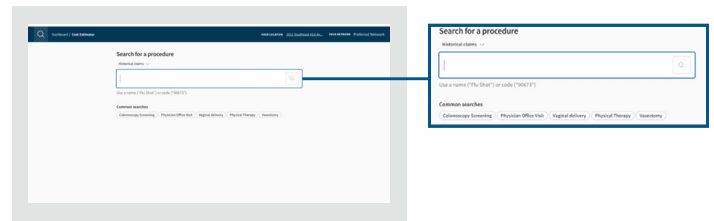

On the lower right side of your screen, click **Learn more** below the green trophy icon. You'll see information about the program, a list of services eligible for rewards and FAQs.

Select **Continue to estimate costs**.

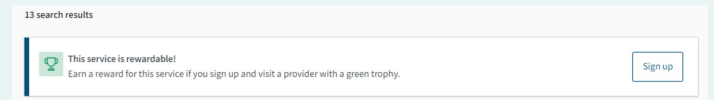

Step 4:

Enter the service, treatment or procedure you would like an estimate for, such as "MRI" or "knee replacement."

Step 5:

If a green trophy icon appears in your search results, that service is rewardable! Select **Sign up**. Follow the prompts, enter your email address and submit your information.

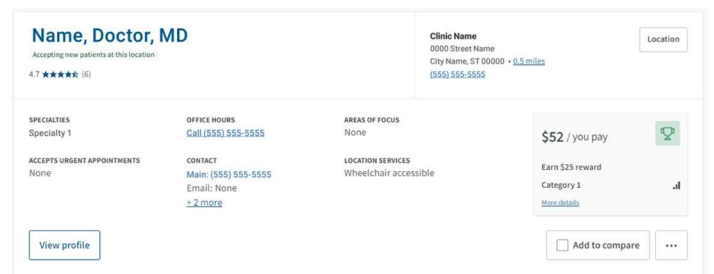

Step 6:

After you complete the service with a provider showing the rewards icon, you won't need to do anything else. It should take approximately 60 to 90 days for your claim to process.

Step 7:

Once your claim has processed, you will receive an email at the address you provided with instructions on how to choose your reward!
