

PHARMACY SERVICES

Walk-in treatment now available from a local pharmacist

When you're not feeling great, you may not want to wait days for a doctor appointment. That's why select Albertsons and Safeway pharmacies in Idaho now offer a convenient way to get care for common health concerns—no appointment needed.

Whether you have a UTI or strep throat, you can get tested, receive a prescription and start treatment all in a single pharmacy visit. Plus, depending on your benefits, you'll pay little to nothing out of pocket.

What's covered

The following are examples of the services available at select Idaho-based Albertsons and Safeway pharmacies. For a full list, contact Customer Service at the number listed on the back your member ID card:

- Cold sore treatment
- Continuous glucose monitor: prescribing & counseling
- EpiPen
- Migraine treatment
- Naloxone
- Rapid strep and flu tests
- UTI tests & treatment

Prescriptions available from these pharmacies include:

- Hormonal contraceptives
- Statins

Your cost

PPO and traditional health plan members: \$0 copay

High-deductible health plan members: No cost after you've met your deductible

Prescription drugs: This service does not impact what you'll pay for prescription drugs.

Before you go

This service is available exclusively for State of Idaho members who visit select Idaho-based Albertsons and Safeway pharmacies. These services are not covered at Albertsons or Safeway locations outside Idaho or at other pharmacy chains.
