

PAY LESS WHEN YOU GET CARE FROM CHOICEDOCS

When you need care, you'll save when you see a primary care provider (PCP) or specialist who's part of our ChoiceDocs program. These PCPs and specialists have shown that they offer effective, affordable healthcare. Depending on your plan, you'll pay a lower or even no copayment for office visits when you see these ChoiceDocs. **This benefit is available to State of Idaho PPO plan members.**

Why are some providers part of ChoiceDocs and others aren't?

We use that data to find those who offer effective, affordable care and let you know that these providers are ChoiceDocs in our provider directory.
