

The Blue Cross of Idaho member app gives you helpful tools you can use to be on your way to the care you need. With the app you can view your member ID card, access a glossary that defines insurance terms and find ways to easily manage your healthcare.

FIND CARE

Use filters like language, gender and more to find in-network care that best fits your needs. Choose from hospitals, urgent care, doctors and more.

ACCESS TELEHEALTH WITH MDLIVE

Get 24/7 telehealth with MDLIVE. Find a link to their website in the app so you can create an account and connect with a board-certified doctor.

UNDERSTAND YOUR COVERAGE

Use the Overview feature to see a high-level view of your benefits. Find out how much progress you've made towards your deductible, what you might owe at your next doctor's visit and what services you're covered for.

MANAGE YOUR CLAIMS

Keep track of post-care information with the ability to view claims from the past 18 months. Get updates as soon as claims are processed and see a breakdown of the costs and services provided.

DOWNLOAD THE APP

Download the member app by searching bcidaho.com/memberapp on your phone's browser.
