

Pharmacist Services

GET CARE WHEN YOU VISIT AN IDAHO-BASED ALBERTSONS OR SAFEWAY PHARMACIST

It's easier than ever to get care! When you see an Idaho-based Albertsons or Safeway pharmacist, you can quickly get care without an appointment. These pharmacists can treat certain issues, as well as prescribe and fill prescriptions for some drugs.

This service gives you another option for convenient, low-cost care. You can expect to pay little or nothing out of pocket, depending on your plan, when you see an Idaho-based Albertsons or Safeway pharmacist for care.

What's covered

You can get the following services from an Idaho-based Albertsons or Safeway pharmacist:

- Flu vaccine
- Rapid flu test
- Rapid strep test
- Urinary tract infection (UTI) diagnosis
- Cold sore diagnosis and treatment

These pharmacists can also prescribe the following types of drugs:

- Hormonal contraceptives
- Statins

What you'll pay

- **PPO and TRAD plan members:** \$0 copay
- **High-deductible health plan members:** No cost after you've met your deductible
- **Prescription drugs:** This service does not impact what you will pay for prescription drugs.

Things to know

You must visit an Idaho-based Albertsons or Safeway pharmacist to take advantage of this benefit. This benefit will not apply if you visit an Albertsons or Safeway pharmacy outside of Idaho or visit a pharmacy that is not part of Albertsons or Safeway.

Find a Pharmacy

Visit local.pharmacy.albertsons.com/ID to find an Idaho Albertsons or Safeway pharmacy.
